MEDICAL ONCOLOGIST – (Locum - 6 Months)

North York General Hospital is looking for a licensed Medical Oncologist to cover a 6 month's locum.

Estimated dates: mid-May to mid-November, 2022

North York General Hospital is a community hospital in Toronto, Ontario, with academic partnerships to the University of Toronto.

The Oncology practice consist of patients from the following disease sites: Breast, GI, GU, and Lung.

This is an exciting opportunity for recent graduates, or tenured Oncologists, to begin networking for subsequent jobs within the Greater Toronto Area.

Remuneration as per ONTMOA guidelines include: 3 months of 40% salary plus shadow billings; 3 months of 100% salary plus shadow billings.

Please connect with Danny Robson, danny.robson@nygh.on.ca, for further interest and details.
