

North York General Hospital is recruiting a Medical Oncologist to join our team. Currently North York General Hospital (NYGH) has a team of six Medical Oncologists (one who also has Hematology Fellowship) and two Hematology Oncologists. The team is complemented by a cohort of GP Hospitalists who assist in the care of inpatients.

NYGH is a Community Academic Hospital who has been repeatedly recognized for excellent health care. We are the ONLY Canadian community Hospital recognized by Newsweek's Best Hospitals in the World top 100. We are the ONLY Canadian Hospital accredited by the NAPBC (National Accreditation Program for Breast Centers). NYGH is a great place to work and has been named to the FORBES list for best employers in Canada for 2022. We have repeatedly been recognized by Cancer Care Ontario for short wait times for treatment.

NYGH is one of the highest volume providers in the GTA for breast and colorectal cancer. Other sites which are prominent include, genito-urinary, lung and pancreas and hematology. We have active Multi-Disciplinary Case Conferences with great engagement by the entire team. We have close relationships with radiation oncology at the Odette Cancer Center.

Funding for this position is Alternative Payment Plan position (APP) from the MOHLTC.
