

HEMATOLOGIC ONCOLOGY, APP POSITION WALKER FAMILY CANCER CENTRE & NIAGARA HEALTH

Niagara Health seeks a highly motivated physician with a passion for providing the highest quality care to join the Department of Oncology to fill a new COMET APP 1.0 FTE position. Remuneration is per COMET benefits plus shadow billings.

You would join a team of thirteen other medical oncologists and malignant hematologists along with five radiation oncologists, three benign hematologists, and three supportive and palliative care physicians.

Walker Family Cancer Centre (WFCC) provides comprehensive cancer care in a modern facility directly attached to a full-service hospital in St. Catharines. The Cancer Centre has strong working relationships with the Juravinski Cancer Centre in Hamilton across the spectrum of disease sites.

On-call responsibilities would consist of inpatient rounding and admissions from Emergency only one weekend every 14 weeks, and new patient consults one day each week. There would be no requirement for General Medicine call. An oncology hospitalist is MRP for patients on the Oncology Inpatient Service on weekdays.

Part-time or adjunct academic appointment in the Department of Oncology at McMaster University would be highly encouraged. Opportunities would exist for teaching of medical students, residents and fellows. WFCC is active in various Canadian Clinical Trials Group, industry and investigator-clinical trials.

Niagara Health is a regional healthcare provider with multiple sites and a growing network of community-based services. Our team consists of more than 4,800 employees, 600 physicians and 850 volunteers who we count on to deliver extraordinary caring to every person, every time.

We provide a wide range of inpatient and outpatient services to more than 450,000 residents across Niagara, including Acute Care, Cancer Care, Cardiac Care, Complex Care, Emergency and Urgent Care, Kidney Care, Long-Term Care, Mental Health and Addictions, Stroke Care and Surgical Care. Planning is underway to build another new ultramodern hospital in South Niagara.

The Practice:	<ul style="list-style-type: none"> • Malignant hematology, excluding acute leukemia (beyond palliative management)
Qualifications Required:	<ul style="list-style-type: none"> • Independent license or eligible for independent license with the College of Physicians & Surgeons of Ontario (CPSO) • FRCP(C) with certification in Medical Oncology or Hematology and eligible for APP under ONT MOA agreement • Experience treating patients with hematologic malignancies • Eligible to work in Canada without restrictions

Closing Date: July 1, 2022

We especially encourage you to apply if

Value diversity, equity and inclusion;

Are excited about being part of a respectful and hard-working team in the beautiful Region of Niagara;

Extraordinary Caring. Every Person. Every Time.

Identify as a member of one or more of the following groups: equity-deserving group, Indigenous persons, persons with disabilities, persons of diverse sexual orientations and gender identities and all others who may contribute to the further diversification of ideas.

In accordance with the Accessibility for Ontarians with Disabilities Act, 2005 and the Ontario Human Rights Code, Niagara Health will provide accommodations through the recruitment process to applicants with disabilities. If selected to participate in the recruitment and selection process, please inform Medical Affairs of the nature of any accommodation(s) that you may require in respect of any materials or processes used to ensure your equal participation
