

LOCUM TENENS WANTED

Benign and /or Malignant Hematologist

Department of Medicine

Division of Medical Oncology & Hematology

Odette Cancer Centre

Sunnybrook Health Sciences Centre

2075 Bayview Avenue

Toronto, Ontario, M4N 3M5

The Division of Medical Oncology & Hematology at the Odette Cancer Centre at Sunnybrook Health Sciences Centre is looking for a motivated, team-oriented individual for locum work from November 1, 2022 to June 30, 2023. Clinical activities will involve the assessment and treatment of Hematology patients in a clinical outpatient setting. We are seeking individuals who could provide care in benign hematology, malignant hematology, or a mix of both. Depending on the focus of the locum, the position may involve inpatient benign hematology consult coverage and/or inpatient malignant hematology ward coverage. Periodic weekend and evening coverage on second call will also be required. Candidates must have FRCPC certification in Hematology and be qualified to work in Ontario. Applications will be accepted until Sept. 30, 2022 or until the position is filled. Should you be interested in this opportunity, please submit your CV to Dr. Helen MacKay, (Division Head), C/O Yvonne Rohlehr via email Yvonne.rohlehr@sunnybrook.ca.

Sunnybrook Health Sciences Centre (SHSC) is an academic health sciences centre located in Toronto, Ontario. It is a world leader in trauma care, emergency and critical care, brain sciences, heart and stroke disorders, high-risk maternal and fetal care and musculoskeletal care. Both SHSC and the University of Toronto are among the top 100 employers in Canada.
