

MEDICAL ONCOLOGIST

The Grand River Regional Cancer Centre/Waterloo Wellington (GRRCC) is currently recruiting for a 1.0 full time equivalent (FTE) Alternate Payment plan (APP) funded Medical Oncology position. This position is effective immediately.

GRRCC and Cambridge Memorial Hospital provide a full service of comprehensive cancer treatments to more than 700,000 residents in the Waterloo Region, Wellington County and the surrounding area.

The successful applicant would join the Medical Oncology team and work primarily at Cambridge Memorial Hospital.

The duties would include regular outpatient oncology clinics, and providing consultations in the Emergency Room when required and Inpatient consultations. Opportunities for teaching with the Satellite McMaster University Faculty of Health Sciences are available and encouraged, with a stream of clerks, residents and fellows regularly rotating through the program.

Waterloo Wellington is a rapidly growing community that has grown along the banks of the Grand River. The region is often referred to as “Silicon Valley North” with wonderful schools, sports amenities, and cultural events.

Certification in Medical Oncology by the Royal College of Physicians and Surgeons of Canada, and eligibility for independent licensure in the Province of Ontario are required. The successful applicant must also obtain and maintain privileges at Grand River Hospital, Cambridge Memorial Hospital, and other associated hospitals in the region as required.

To apply, please send a letter of expression of interest and curriculum vitae to:
