

Canadian Immuno-Oncology Conference 2024

Friday, October 4, 2024

Vantage Venues | Toronto, ON

Chaired by **Dr. Parneet Cheema** and **Dr. Marcus Butler**, the Canadian Immuno-Oncology Conference 2024 is an in-person only conference held in eastern time. The meeting will cover a variety of important topics examining advances in immuno-oncology and will explore topics that pertain to clinical practice, adverse event management and the pharmacoeconomics of novel therapies.

Learning Objectives

1. Review basic principles of immuno-oncology as well as key advances in different tumour sites.
2. Discuss best practices and practical implications for patient management.
3. Examine adverse event management of novel therapies.
4. Discuss the pharmacoeconomics of these agents.
