

# Canadian Geriatric Oncology Conference

**September 18 - 19, 2025 | In-person event**

**Morris J Wosk Centre for Dialogue | Vancouver, British Columbia**

Join OncologyEducation at the **4th annual Canadian Geriatric Oncology Conference** to develop knowledge and skills on how to assess older adults with cancer, understand and manage issues unique to the care of older adults with cancer undergoing treatment, and acquire strategies to implement geriatric principles into clinical practice when caring for older adults with cancer.

This 1.5 day conference serves to strengthen the capacity of healthcare professionals in the field of geriatric oncology, to optimize treatment of older adults with cancer. Canadian leading faculty will discuss strategies to improve outcomes of diverse populations of older adults with cancer and their caregivers.
